INCIDENT REPORT

Report Type: Initial

NARRATIVE

On 02/11/2016 at approximately 2047 hours, Officer Tweedy #1201 and I were dressed in full police uniform and were driving a marked patrol vehicle. We responded to a call regarding a fight between roommates which resulted in the 911 caller's hand being broken by the drunken roommate located at [REDACTED].

Upon our arrival, I met with the 911 caller, later identified as (R/V1) Luis Gongora. He was holding his right hand and said, "My finger is broke." I observed Gongora's right middle finger was swollen and looked abnormal. Gongora told me he could not move his finger and his hand was in pain. Gongora pointed towards the doorway and told me, "The one in the black did it."

Standing in the doorway was (B1) [REDACTED]. He was the only one in the doorway wearing a black shirt and blue jeans. I asked Gongora if [REDACTED] was the person responsible for breaking his finger and he said, "Yes." Noh Canche's eyes were bloodshot and watery and his clothing and breath strongly smelled like an alcoholic beverage. [REDACTED] hands were in his pockets and he was rocking back and forth, attempting to keep his balance.

I asked [REDACTED] to sit down at the dining room table because I did not want him to fall over due to his intoxication. [REDACTED] sat down without incident. On top of the dining room table, I observed several tall cans of Sapporo beers and more on the floor by the adjacent couch and one in the kitchen. I asked [REDACTED] if he spoke English and he replied in English, "I speak Spanish and English." I asked [REDACTED] what happened and he replied, "I do not need to talk to you," and attempted to get up and walk away. I placed my hand on his left shoulder and prevented him from standing up. I ordered [REDACTED] to stay seated. I told [REDACTED] that he did not need to [REDACTED] to me if he did not want to. Due to my training and experience, I observed scratches and red marks on [REDACTED] left hand, consistent with a hand which punched a hard object. I performed a weapons pat search on [REDACTED] with negative results. [REDACTED] attempted to get up again and I again ordered him to remain seating on the chair. Due to [REDACTED] involvement with the assault on his roommate and his attempts to leave, I handcuffed him. While handcuffing, [REDACTED] I ordered him to lean forward. He got up and attempted to walk away again. Using my academy taught control move, I grabbed [REDACTED] left hand while passing by me and used a twist lock grip to the rear and ordered [REDACTED] to the ground. With [REDACTED] on his stomach, I handcuffed [REDACTED] checking for proper degree of tightness and double locking the handcuffs. [REDACTED] did not have a complaint of pain or visible injury from the control move.

With the scene secure, Medic #52 arrived and assessed Gongora's injury. Medic #52 told me Gongora's middle finger had some deformity to it and was possibly broken. He refused further treatment and transport. Officer Tweedy took pictures of Gongora's injury. I interviewed Gongora and asked him what happened and he told me the following in summary:

At approximately 1700 hours, he returned home from work. Gongora told me when he walked into his house, he saw [REDACTED] drinking beer. Gongora stated he did not know when [REDACTED] started drinking but he appeared intoxicated upon arriving home. Gongora stated he started drinking as well. He estimated three beers within 1700-2100 hours (4hours). Gongora did not provide me with the size or total amount of alcohol with his beer beverages. Gongora told me at 2100 hours, he was on the phone with his family in Mexico, when [REDACTED] approached him stating, "You want to be on the phone, people are sleeping, its 2 o'clock in the morning." [REDACTED] then left the room and came back a short time later while Gongora was still on the phone with his family. [REDACTED] became agitated and told Gongora he could not be on the phone. Gongora told me [REDACTED] punched him with his closed right fist in the face. Gongora told me he attempted to block the punch with his right hand and felt immediate pain to [REDACTED] right middle finger. Gongora stated [REDACTED] attempted to punch him again, however he avoided it by [REDACTED] jumping backward away from [REDACTED]. Gongora told me he recalls [REDACTED] repeatedly telling him that he was stupid while punching him. Gongora stated the fight ended when another roommate, who wished to remain anonymous, came out of his room and pushed [REDACTED] away from Gongora. Gongora could not provide me with any further information regarding the incident.

Report Type: **Initial****INCIDENT REPORT**

Gongora agreed to provide me with his signature for a (E2) Citizen's Arrest for the battery. Officer Tweedy provided Gongora a follow-up form with a case number, a Victim of Violent Crimes card and a Marsy's card.

took photos of [REDACTED] while he was sitting down inside his house. Due to how intoxicated [REDACTED] was, Medic #52 attempted to assess his wellbeing. [REDACTED] could not sit up straight, could not follow commands or answer the medic's questions. Medic #52 determined that [REDACTED] could not care for himself and transported him to SFGH to be further treated for his intoxication.

At SFGH, Dr. Isaacs, MD treated [REDACTED] for his intoxication and injured hand. A computer query revealed Noh Canche had an outstanding warrant out of Redwood City (Warrant#: [REDACTED], Violation 21510(B)PC, Bail: \$2,500, Enroute to Redwood City Police Department). I called Central Warrants Bureau and CWB Natalie #78 confirmed the warrant.

With 3H118 Sergeant Fischer's approval, I arrested [REDACTED] for 242PC and his outstanding warrant. 3H13E Officer Landis #455 and Officer Lewis #807 arrived at SFGH and later transported [REDACTED] to County Jail #1 where he was booked.

At Ingleside Station, Officer Tweedy downloaded the photos to a (E1) photo CD. 3H16D Officer Marshall #4124 booked the (E1) photo CD and (E2) Citizen's Arrest signed by Gongora as evidence. Officer Tweedy later uploaded the evidence to Crime Data Warehouse.

INCIDENT REPORT

Report Type: Initial

NARRATIVE

On 9/10/15 I was working with Officer Burns #135 (3D91) in marked SFPD uniform in a marked SFPD radio car. At approximately 1811 hours, we responded to 400 Treat Ave on a call of a homeless encampment obstructing the sidewalk.

We arrived at the above location and saw that a yellow tent was obstructing over half of the northeast sidewalk across from 400 Treat Ave, and pedestrians had to enter the roadway in order to walk around the tent. I asked the occupant of the tent to come out so I could issue him a citation for 22(a)MPC-obstructing the sidewalk. The subject inside the tent identified himself as (B1) Luis Gongora. A computer query of Gongora showed an active misdemeanor warrant (B1) (\$50,000) for 245(A)PC. Officer Burns verified Gongora's identity through his SFMUG photo using his department issued cell phone. Ben #97 from CWB confirmed the warrant for Gongora. With the approval of Sgt. Paul #648, Gongora was transported and booked at Mission Station for the above warrant and municipal police code violation.

INCIDENT REPORT

Report Type: Initial

NARRATIVE

On the above listed date and time, Ofc. Rose #2395 and I were in full uniform and driving a marked SFPD patrol vehicle. We responded to a call of a fight between two males occurring at 2050 Folsom St.

When we arrived, Ofc. Cabillo #1014 and Ofc. Kelly #1019 had already arrived on scene and had detained the two males. Ofc. Cabillo told me when he and Ofc. Kelly first arrived, the two men had not been actively been fighting. I asked both males if they were hurt in any way and they stated they were not and refused all medical attention. I did not observe any injuries on either male.

Ofc. Cabillo relayed to me that one male, known to several officers on scene as (R/W1) Eddie Clark, had come back to his tent located at 2050 Folsom St approximately 10 minutes prior to their arrival and had found (B1) Luis Gongora inside it. A verbal argument between Clark and Gongora ensued. Ofc. Cabillo spoke with Gongora who stated he believed the tent belonged to his friend, however Gongora did not know his friend's name. Gongora stated he would leave the area and that the tent did not belong to him.

A computer query of both males was run at the scene. Clark was clear of all warrants, however Gongora had an outstanding San Francisco warrant with a bail of \$10,000. I identified Gongora by his SF Mug shot at the scene.

While at the scene, I spoke with Martinez #27 from Central Warrants Bureau who confirmed the following warrant:

[REDACTED] BAIL: \$10,000, VIO: 245(a)4 PC.

On the approval of Sgt. Paul #648, we booked Gongora at Mission Station for the above listed warrant.

San Francisco Police Department
INCIDENT REPORT

Report Type: Supplemental

NARRATIVE

On 04/19/2014, (B1)Gongora was taken into custody by Sunnyvale Police Department (Case # [REDACTED] related to the above listed outstanding arrest warrant. Gongora was subsequently transported to the San Francisco County Jail (CJ#1) on 04/23/14.

I responded to CJ#1 to interview Luis Demetrio Gongora (SF [REDACTED]. Ofc. Reyes #492 (Department Certified Spanish Translator) responded with me to assist with translation. I Mirandized Gongora verbatim using my department issued Miranda Warning Card. Gongora stated that he understood his rights, agreed to waive them, and to speak with me regarding the incident.

I asked Gongora preliminary questions prior to the start of the interview; Name, previous address, and the names of his roommates during that time period. Gongora told me that his previous residence was at an apartment building located at Market & Valencia Streets (San Francisco) with a possible address of 576 Market Street. It should be noted that this was the incorrect address and the correct address for that unit block was 1700 block of Market Street x Valencia Street. The incident in question occurred at [REDACTED]. I asked Gongora if he recalled the following address: [REDACTED]. Gongora said that he recognized the apartment #37 and said that he resided there with the following roommates; [REDACTED] and his girlfriend (at that time) [REDACTED]. Per Gongora, he and [REDACTED] were never married and were only boy friend & girl friend. They have no children in common, and have been separated for almost one year now. I showed Gongora a photo of [REDACTED]. Gongora positively identified [REDACTED] as his ex-girlfriend.

I advised Gongora that I was attempting to interview him regarding an incident which occurred on 09/16/13 at [REDACTED] Market Street in front of the apartment building which involved the use of a belt (SFPD Case # [REDACTED]).

Per Gongora, he recalled an incident where he struck another unknown man (suspected of having a sexual relationship with [REDACTED] girlfriend at the time) with his belt in the rear parking lot of [REDACTED]. Gongora described this man as a White male adult, approximately 29 years of age, 170-180mm tall (5'07"-5'11"), 140lbs. Further, Gongora stated that he did not strike this individual with the metal buckle portion of his belt. Due to the fact that this did not match the incident which I was referring to or the Victim's; [REDACTED] physical characteristics, I probed further, and told Gongora that the incident I was inquiring about involved him being sprayed with pepper spray. Gongora then stated that he now remembered the incident that I was referring to. Initially Gongora stated that he responded to the front door to the apartment building to let [REDACTED] in. Later, Gongora stated that [REDACTED] was already inside of their apartment upstairs. Per Gongora, he left the apartment building to purchase beer. Upon his return to the building, an unknown subject; (V/R1 [REDACTED] who was exiting the building refused to hold the door open for him and allow Gongora entry into the building. Gongora asked this individual to open the door for him. Per Gongora, this individual reached into his pocket, pulled out a pepper spray and sprayed him in the face with an unknown gas or spray unprovoked, blinding him. Per Gongora, he did not strike this man at anytime with his belt because his eyes were shut. I advised Gongora that I had caught him in a lie and to be honest with me. Gongora stated that he apologized for lying to me. Further, he thought that I did not know that he had struck this individual with his belt. However, it is now clear that I have already spoken with [REDACTED]. Gongora stated that he in fact had struck this individual with his belt using the metal belt buckle portion of his belt. Gongora said that he was blinded by the spray and swung numerous times at this individual in an attempt to defend himself. Gongora said that he does not know if the belt made contact with the individual. Per Gongora, he does not know what [REDACTED] role was during the incident as he was blinded. Further, [REDACTED] ([REDACTED] brother) was present at the scene, however, did not participate in the incident. I showed Gongora a photo (male depicted in Crime Alert: [REDACTED]). Gongora identified himself as the male subject depicted in the photo. Gongora also positively identified the female subject depicted in the photo as [REDACTED] his ex-girlfriend.

I showed Gongora a photo of (V/R1 [REDACTED] (showing a bruise to his left torso area). [REDACTED] stated that this was the individual that had sprayed him with the gas and the same individual that he had struck with his belt. I asked Gongora at what point he got on top of [REDACTED]. Gongora stated that he never kicked the subject. I advised him that I had never mentioned that the Victim had been kicked. I asked Gongora why he mentioned that he never kicked the

subject. Gongora avoided the question. I asked Gongora who the third person was outside of the building. Per Gongora, he does not recognize the individual. I then showed Gongora a SFPD Mugshot Photo of [REDACTED]. [REDACTED] Gongora positively identified [REDACTED] as [REDACTED] brother and the individual who was present during the [REDACTED] mentioned incident. Per Gongora, [REDACTED] did not participate in the incident. Gongora was evasive and deceptive during the interview.

See recorded interview with Gongora and my Chronological Report of Investigation for further details.

NARRATIVE

On 04/19/2014, (B1)Gongora was taken into custody by Sunnyvale Police Department (Case # [REDACTED]) related to the above listed outstanding arrest warrant. Gongora was subsequently transported to the San Francisco County Jail (CJ#1) on 04/23/14.

I responded to CJ#1 to interview Luis Demetrio Gongora (SF# [REDACTED]) Ofc. Reyes #492 (Department Certified Spanish Translator) responded with me to assist with translation. I mirandized Gongora verbatim using my department issued Miranda Warning Card. Gongora stated that he understood his rights, agreed to waive them, and to speak with me regarding the incident.

I asked Gongora preliminary questions prior to the start of the interview; Name, previous address, and the names of his roommates during that time period. Gongora told me that his previous residence was at an apartment building located at Market & Valencia Streets (San Francisco) with a possible address of 576 Market Street. It should be noted that this was the incorrect address and the correct address for that unit block was 1700 block of Market Street x Valencia Street. The incident in question occurred at [REDACTED] I asked Gongora if he recalled the following address: [REDACTED] Gongora said that he recognized the apartment #37 and said that he resided there with the following roommates, [REDACTED] and his girlfriend (at that time) [REDACTED] Per Gongora, he and [REDACTED] were never married and were only boy friend & girl friend. They have no children in common, and have been separated for almost one year now. I showed Gongora a photo of [REDACTED] (Crime Alert). Gongora positively identified [REDACTED] as his ex-girlfriend.

I advised Gongora that I was attempting to interview him regarding an incident which occurred on 09/17/13 at 1751 Market Street which occurred in the hallway of the apartment building.

During the interview, I showed Gongora a SFPD Mugshot Photo of [REDACTED] Gongora positively identified [REDACTED] as [REDACTED] brother and stated that he was present during the incident. Per Gongora, [REDACTED] did not participate in the incident. I showed Gongora a Crime Alert containing two photographs. Gongora positively identified himself (male subject) as the individual depicted in the Crime Alert. Gongora also positively identified the female subject depicted in the photo as [REDACTED] his ex-girlfriend.

Per Gongora, he was in the hallway of the apartment building with [REDACTED] (girlfriend at that time) and [REDACTED] (brother of [REDACTED]) getting ready to collect recyclables when "the manager" [REDACTED] of the building approached them and began taking photos. Gongora stated that he believes that [REDACTED] struck the manager, however, is uncertain. I told Gongora that I had once again had caught him in a lie. Gongora then said that he struck the manager with one hand (demonstrating a right closed fist). When I confronted Gongora regarding the use of a stick, Gongora then admitted to striking the manager with a stick which he used to crush cans. Per Gongora, [REDACTED] then came and pulled him (Gongora) away from the manager to prevent further attacks. Gongora said that this individual (whom he referred to as "the manager") accused him of breaking windows and attempted to take a photograph of him using his cell phone. This enraged Gongora and he struck this individual unprovoked once with a stick (downward motion using his right arm) aiming for his head. Per Gongora, the manager lifted his right arm above his face in an attempt to block the strike and protect his head. Gongora then fled the scene in fear of being arrested for having just committed an assault. Per Gongora, he did not stop to render aid. Further, he was not assaulted by this individual at any point during the incident. Per Gongora, if he had an opportunity, he would apologize to this individual for his unprovoked attack which was unreasonable. Gongora demonstrated to me how this individual attempted to protect his head from his strike to the head using his right arm. I took a photograph of Gongora as he demonstrated how "the manager" was attempting to protect his head from Gongora's strike. (See attached photo for other details). Gongora stated that he discarded the stick after the incident inside of his apartment bathroom. Gongora subsequently moved out of the apartment building.

See recorded interview with Gongora and my Chronological Report of Investigation for further details.
